TRICOMAX

Tricomax Formula is guaranteed to regrow strong, healthy and beautiful hair in 95% of all users, regardless of age. Tricomax formula regrows, improves and thickens hair all over the scalp. Visible results are apparent in just 6 to 12 months. Once desired results are achieved, sustaining your hair requires minimal maintenance. This range significantly reduces hair loss within the first 3 months. Scientific testing has shown that with proper use, the natural ingredients found in Tricomax, actively reverse the hair loss process.

REVIVOGEN MD

Dermatologist formulated natural solution for thinning hair. The revolutionary Scalp Therapy, Bio-Cleansing Shampoo, and Thickening Conditioner were developed by a dermatologist to provide maximum results naturally.

REVIVOGEN PRO

A medically-formulated natural solution for fine and thinning hair. Revivogen PRO is anti-aging for the hair, designed by renowned dermatologist Alex Khadavi. These ranges are currently sold in over 40 countries worldwide and are a pharmacy favorite! The combination found in Revivogen PRO products have shown significant improvement to thousands suffering from thinning hair across the globe.

LASERBAND 82

The new enhanced hands-free HairMax LaserBand cradles your scalp with 82 nourishing laser lights to energize and revitalize your hair follicles to regrow your hair. In less than 90 SECONDS you can treat your entire scalp or easily target your problem areas from the front hair line to the back of your head. Stimulating hair growth has never been easier, faster or more sophisticated.

IGROW LASER

Clinically proven, the Igrow is the premiere hands free Low Level Light Therapy solution for hair growth.

igrow's proprietary Low-Level Light Therapy (LLLT) technology utilizes a highly effective combination of 21 red lasers and 30 LED light diodes, to stimulate and energize cellular activity of hair follicles.

MD HAIR

MD Hair is physician-formulated to address hair breakage while naturally strengthening and activating hair follicles.

MD Hair moisturizes and promotes a healthy scalp environment, strengthens and energizes hair follicles & invigorates the scalp for thicker, fuller and healthier hair.

VIVANDI SHOWER FILTER

VIVANDI Dechlorinating Shower filter is a non-cartridge shower filter that removes toxic chlorine from your shower with the best in style and technology.

VIVANDI Shower Filters have been specifically designed based on the chlorine contents of the Middle East's major cities' drinking water.

DEBEL

Debel supply a high quality product range, famous for delivering effective results while protecting the hair and scalp.

All Debel products are 100% made in Italy and made only with natural active ingredients.

CAPILLO

Oiliness, hair loss, dandruff and weak hair can all be remedied with products from the Capilo range.

Organized into various levels, Capilo is adapted to every need; its intensive, preventative or nutritional action works to help achieve healthy hair.

TOPPIK

Toppik products transform the appearance of men and women with fine, thin or thinning hair.

All natural Keratin Fibers make thin hair look thick and full instantly. Available in 9 colors to match virtually any hair color.
